<b>Florida State University</b>   Bachelor of Science in Accounting	April 2021	Cum Laude

Cumulative GPA: 3.611/4.0

## SKILLS

**Data Tools & Languages:** SQL (Postgres, MSSQL), Tableau, Power BI

## WORK EXPERIENCE

**Data Analyst & Associate Consultant** April 2022 – Current  
CompliancePoint | Atlanta, Georgia

- Create and manage call log audits utilizing SQL and Excel Power Query. Steps include cleaning client data, joining suppression logs, analyzing attempt frequencies and sentiments, and localizing datetimes to provide recommendations on legal regulations and optimizations of calling strategies for clients.
- Developed standardized/universal queries for streamlining data audits based on data received from clients.
- Design and maintain Power BI and Excel dashboards reporting on topics such as Caller-ID efficiency, trends in TCPA litigation, and call attempt sentiment frequencies.
- Collaborate closely with team of consultants to provide data insights needed for clients, including understanding legal regulations, translating client questions into data results, translating data results into actionable takeaways, and presenting findings to clients.
- Independently manage and prioritize time across many concurrent projects and active client accounts.

**Assurance Intern & Business Tax Associate** June 2021 – August 2021, January 2022 – April 2022  
RSM US LLP | Atlanta, Georgia

- Responsible for the preparation of Federal and State business tax returns.
- Perform pre-tax review procedures and analytic tests on financial statements to ensure accuracy.
- Research and understand federal and state laws regarding taxes, deductions, and credits, as well as the effects they have on clients' financials.

**SCUBA Technician & Sales** February 2018 – April 2021  
Coral Reef Scuba & Tallahassee Archery Center | Tallahassee, Florida

- Customer facing role, specializing in technical repair support of SCUBA Equipment.

## VOLUNTEER EXPERIENCE

**Volunteer** June 2023 - Current  
Trees Atlanta | Atlanta, GA

- Planting trees and removal of invasive species from city parks.

**Volunteer** October 2022 – August 2023  
LifeLine Animal Project | Atlanta, GA

- Care for county shelter animals.
